### GENERAL INFORMATION

#### SOUNDCHECK / STAGE TIMES

For an 8pm start (with up to three bands) we recommend 4pm load-in and 4:30pm sound check start. Sound checks must be complete by 5.30pm. Bands generally go onstage at 8.30pm, 9.15pm, 10pm with an 11pm curfew. If you wish to start your sound check or load-in earlier than 4pm it's an extra £20ph (to cover sound engineer & venue staff). Event start times are up to the individual promoter but must be confirmed beforehand.

The ground floor bar is open to the public from 5pm Thursday/Friday/Saturday. If you wish to book an event that includes the ground floor bar, you must confirm well in advance.

#### SOULD LEVELS AND NOISE POLICY

You will be informed of sound limits beforehand and these will be monitored through the event.

#### CURFEW

11pm for live music. Please do not book more than three bands without consulting us. It's very hard to get changeovers/performances finished by 11pm with more than 3 bands without starting early. It is the responsibility of the promoter to get the bands on/off stage on time. The sound engineer may curtail the headliners set if they run over the agreed schedule. Equipment brought in for an event is the responsibility of the promoter, as is any damage or inconvenience.

#### DOOR POLICY / ENTRANCE FEES AND TICKETS

Ticket collection /entry fee /lanyard system is your responsibility and must be agreed beforehand. We can supply staff by prior arrangement and you will be charged. Ticket sales are the responsibility of the promoter, not the venue. You need to make your own arrangements. We reserve the right to allow 10 people on our in-house guest list. This does not affect your capacity.

#### FILMING / RECORDING

It is possible to record and film your show, with prior arrangement. We have a strict health and safety policy with regards to location of equipment. It is not always possible to set up for filming and recording after doors have opened and you may be refused.

#### SECURITY

All security must be arranged and agreed with The Printworks in advance, or we will supply two security guards and charge accordingly.

#### SECURITY CAMERAS

There are security cameras at various points through the venue. We retain all tapes for 7 days.

#### DEPOSITS & CANCELLATION

The Printworks reserves the right to cancel any booking without prejudice and will return deposits. All deposits must be paid 7 working days beforehand.
